Travel Insurance Offer

At Walking the World[®], we believe that travel protection is a great value and helps protect you and your trip investment! Whether your destination is domestic or international, we recommend that you consider purchasing travel protection. Consider the unexpected:

- What if you can't leave home due to an accident, unforeseen sickness or natural disaster?
- Where would you go if you were injured while traveling in a foreign country?
- What would you do without clothing and medications if your bags were lost?
- What if you miss a connecting flight and become delayed for a long time?

For your convenience we offer plans through Travelex Insurance Services. For more information on available plans or to enroll, go to www.travelexinsurance.com or contact Travelex Insurance Services at 800-228-9792 and reference location number 06-0319.

- Yes, I (We) would like to purchase the travel protection plan. I (We) have read and understand the exclusions and limitations of the policy.
- I have been advised that a Travelex protection plan is available, and I (We) do not wish to purchase travel protection at this time.
